How to recover a car’s missing service history - Green Flag
May 06, 2016 - Independent research in the UK suggests that any car without a service history is worth somewhere between 23 and 26 per cent less than the same make and model with a complete service history. Given that the average price of a used car sold at trade auctions in the UK is just under £8000, a lack of service history could see a used car’s value

Mar 30, 2020 - The rock-opera song of Green Day actually marks an era in their musical career. The main character of the song is coming from another hit of the GD; American Idiot. It is a strong statement of these kids against their parents, step-parents, and the life that they are living.

Green party - Wikipedia
A Green party is a formally organized political party based on the principles of green politics, such as social justice, environmentalism and nonviolence. Greens believe that these issues are inherently related to one another as a foundation for world peace. Green party platforms typically embrace social-democratic economic policies and form coalitions with other left-wing parties.

Cabrini-Green: A History of Broken Promises • The TRiiBE
Dec 20, 2021 - Cabrini-Green residents fought back in court, demanding access to the subsidized apartments built in the area and to the bonanza of contracts fueled by the redevelopment. That 1996 lawsuit remains active today and is the basis of settlement agreements that are still in force between the city and former residents.
